

# RALLY CHANTS

## CHANT 1

D-Y-K-E who am I to feel so free?

## CHANT 2

Scream, yell, kick, fight!

Who are you to deny us our rights?

## CHANT 3

In miniskirts or skinny jeans,

dykes and queers make us scream!

## CHANT 4

North, South, East and West,

Philly dykes are simply the best!

## CHANT 5

End the bigotry, end the violence,

today our voice will not be silenced.

End the bigotry, end the violence,

from now on, our voice will not be silenced.

## CHANT 6

On bikes, in cars, on the Broad Street line,

damn Philly dykes are really fine!
